

## Worship Again

Deuteronomy 16: 1-17

---

### Open Your Hearts)

Let's share the experiences God has led last week.

The text teaches the Passover (1-8), the Festival of Weeks (9-12), and the Feast of Tabernacles (13-15) that the Israelites must keep in the covenant land. All three festivals are days of devotion, remembering Israelite's exodus history.

1. What is the feast of the Passover? (vv.1 and vv.3)
2. How did you specifically keep the Passover on Place and time (vv.2, 5, 6, 8), wealth and food? (vv.2-4, 6, 7)

### Sharing 1)

God wants to remember the grace that saved the people of Israel from Egypt and to worship God alone. Do you live remembering his amazing grace? What kind of grace has he shown to your life?

1. When is the Festival of Weeks? (vv. 9, cf. Lev. 23: 15,16)? What do they need to do during the festival (vv. 10,11)?

2. When is the Feast of Tabernacles? What do they need to do during the feast(vv.13-15; Leviticus 23:34)? When (vv. 13) How (vv. 14,15)
3. What are the ordinances that they must obey for all three seasons in common (vv.16 and vv.17)?

### Sharing 2)

The common point of all three seasons is that they all gather together to worship God.

They stopped their business, and all the Israelites devoted themselves happily without distinction between the rich and the poor. Let's share the experience of the joy of salvation, unity of community, devotion and thanksgiving through worship.

### Give Your Heart)

1. Let our church be united and give thanks and devotion to the worship
2. May God's heart for one soul be always in our heart.
